<u>Entry Details</u>

Eligible Entrants	Entry is open to all customers aged sixteen (16) years or older who, prior to completing the Entry Instructions: - download the OTR App v4.4 or ScanPumpSave App 1.1 or above (each an "ELIGIBLE APP"). The OTR App can be downloaded here: https://www.otr.com.au/otr-app/ and the ScanPumpSave App can be downloaded here: https://www.scanpumpsave.com.au/sps/; and - set up an account in an ELIGIBLE APP by following the prompts in the ELIGIBLE APP; and - specify and save at least one valid payment method within the ELIGIBLE APP (DEFAULT PAYMENT METHOD).
Entry Instructions	For the chance to win an instant fuel discount prize, subject to the exclusions listed below, an individual must: - be an Eligible Entrant at the time of entry; - Use the Scan, Pump, Save feature in an ELIGIBLE APP to purchase and pay for (with a valid payment method) a Participating Fuel Product (as defined and listed in Appendix 1 of these Terms and Conditions) from a PARTICIPATING STORE during the Competition Period (QUALIFYING PURCHASE). The instant fuel discount prize will not be available and will not apply where: - Shell Card or OTR Card (as each defined in the ELIGIBLE APP Terms of Use) is used as the payment method for the customer's transaction in an ELIGIBLE APP; and/or - the customer receives points in respect to any loyalty program or any other promotion or offer in respect to their purchase of Participating Fuel Products. This Competition is not valid with any other promotion, competition, fuel

	card, discount, loyalty program or offer, unless specifically stated otherwise.										
Maximum Number of Entries	Subject to a customer otherwise complying with these terms and conditions, there is no maximum number of entries per customer during the Competition Period. For the avoidance of doubt, during the Competition Period, each Qualifying Purchase entitles an Eligible Entrant to a single entry into the competition.										
<u>Winner Determination Details</u>											
Instant Win Details	Subject to correctly following the Entry Instructions, Prizes will be drawn and won instantly (as applicable) during the Competition Period. The prize allocation is randomly generated via a computerised system. When an Eligible Entrant wins a Prize, the value of the Prize will be applied to the winner's ELIGIBLE APP account toward their Qualifying Purchase, reducing the amount otherwise payable for their Qualifying Purchase using their Default Payment Method. In the event that the Default Payment Method fails for any reason, or there is any other technical difficulty that results in the Promoter or a Participating Store being unable to finalise the Prize and apply it to the account of the Eligible Entrant in the Eligible App at the time of the Qualifying Purchase, the Eligible Entrant must pay for the Qualifying Purchase in full, in store and in person before leaving the Participating Store (MANUAL PAYMENT). Where the Eligible Entrant's Qualifying Purchase in an ELIGIBLE APP resulted in them receiving notification of the Prize won and allocated, the Eligible Entrant will be entitled to pay the net amount for that Qualifying Purchase (being the amount remaining after the value of the Prize has been applied). If the payment for a Qualifying Purchase did fully complete in an Eligible App and did not result in a Prize being allocated, the Eligible Entrant must pay for the full amount of the Qualifying Purchase in store and in person before leaving the Participating Store. The Eligible Entrant must follow all instructions from the Promoter and its employees and representatives in relation to making the Manual Payment. Any reimbursement outside the process communicated in an ELIGIBLE APP will only be made on the Eligible Entrant's Default Payment Method or by issuing a credit equal to the amount of the reimbursement, onto the Eligible Entrant's ELIGIBLE APP, or by any other payment or voucher method in the Promoter's sole discretion.
